

Dawning Of A New Day

The Great Commission

Heed these words. It's the dawning of a new day.

(New day!)

Heed these words. It's the dawning of a new age.

(No more!)

Heed these words. It's the dawning of a new day.

(New day!)

Heed these words. It's the dawning of a new age.

(No more!)

There will come a time, there will come a day.

When all hell breaks loose.

There will come a time, there will come a day.

When no one is safe.

Heed these words. It's the dawning of a new day.

(New day!)

Heed these words. It's the dawning of a new age.

(No more!)

Heed these words. It's the dawning of a new day.

(New day!)

Heed these words. It's the dawning of a new age.

(No more!)

There will come a time, there will come a day.

When all hell breaks loose.

There will come a time, there will come a day.

When no one is safe.

And You are the way that I will follow.

And into Your hands,

I commit my spirit!

Hold tight, hold fast.

Fear not the end.

Remain steadfast.

This is not the end.

Hold tight, hold fast.

Fear not the end.

Remain steadfast.

This is not the end.
