

Hold Me

The Greenhorns

Come on and hold me now, baby
A little tighter now, oh yeah
Don't you say maybe
Put your arms around me now
Whisper to me, baby
A little softer now, oh yeah

Whisper to me one more time
Yeah
Come on and show me now, baby
A little kindness here, oh yeah
Don't you see me crying
Every night, I'm dying

Whisper to me, baby
A little softer now, oh yeah
Whisper to me, I said one more time
Yeah

Come on and kiss me now, baby
A little softer now, oh yeah
I said squeeze me now, baby
A little tighter now, oh yeah
Don't you say maybe
Put your arms around me now
Whisper to me one more time
Yeah
