

Sex And Taxes

The Greeting Committee

I'm just watching her hands move
Tracing lines on my thighs like she was drawn to
Don't you move til the moments through
She said, "The moment is now. What are you gonna do?"

She talks dirty in my ear, knows how she wants it
She's got me thinking of living inside of sex and taxes
She goes down like lovin' is just a bad habit
Never had it this bad like she has to have it

Nobody does what you do
I'd do anything for you
Nobody does what you do
I'd do anything for you

I live inside a video
She turns on when she's turned on and I'm gone
I'll be back for you, don't you know?
Think I left myself somewhere on your bedroom floor

She talks dirty in my ear, knows how she wants it
She's got me thinking of living inside of sex and taxes
She goes down like lovin' is just a bad habit
Never had it this bad like she has to have it

Nobody does what you do
I'd do anything for you
Nobody does what you do
I'd do anything for you

You don't ever have to wonder
Baby won't you just come over?
You don't ever have to wonder
Baby won't you just come over?
You don't ever have to wonder
Baby won't you just come over?
You don't ever have to wonder

Nobody does what you do
I'd do anything for you
Nobody does what you do
I'd do anything for you

I'd do it all for you
Baby don't you know I'd do it all for you
Anything you want, I'd do it all for you
Baby don't you know I'd do it all for you
I'd do it all for you
