The Gregory Brothers

Top of the mornin' to ya' laddies, my name is jacksepticeye!
(Top of the mornin') My name is jacksepticeye, uh!

All the way
To fucking victory town
All the way
Feels good to be a winner
Every now and then

I believe in you
I believe (I believe)
I believe in you
I believe (I believe)
I believe in Steve, in Steve
Oh, yeah, in Steve
Grab the glory
All the way to victory

All the way (Keep on a-dancin')
All the way (Keep on flyin')
All the way (Keep goin', you got this)
All the way, way
All the way (Keep on a-dancin')
All the way (Keep on flyin')
All the way (Keep going, keep on, keep going, keep on)
(Aah, ah!)

Simple challenge...
I call bullshit on that
Grab it with your teeth
One is all you need
Mother ape ass
I call bullshit on that
Mother ape ass

Great, great Steve
Why aren't your legs magnetic?
Great, great Steve
Well, that's just perfect, isn't it?
Great, great Steve
I hope you die, die, die, die, die
In that bottomless pit, oh shit!

All the way (Keep on a-dancin')
All the way (Keep on flyin')
All the way (Keep goin', you got this)
All the way, way
All the way (Keep on a-dancin')
All the way (Keep on flyin')
All the way (Keep going, keep on, keep going, keep on)
(Aah, ah!)

Hello, little potato man
You're the one that always causes trouble
See, you've, like, fake tickets, don't ya?
That's bad, that's bad (That's bad, that's bad)
He got shot! No!
Little potato man, you were always my favorite
(Aah!)

I believe (I believe)
I believe in you
I believe (I believe)
I believe in Steve, in Steve
Oh yeah, in Steve
Grab the glory
All the way to victory

All the way (Keep on a-dancin')
All the way (Keep on flyin')
All the way (Keep goin', you got this)
All the way, way
All the way (Keep on a-dancin')
All the way (Keep on flyin')
All the way (Keep going, keep on, keep going, keep on)
(Aah!)

All the way (Keep on a-dancin')
All the way (Keep on flyin')
All the way (Keep goin', you got this)
All the way, way
All the way (Keep on a-dancin')
All the way (Keep on flyin')
All the way (Keep going, keep on, keep going, keep on)
(Aah, ah!)

Oh, you can get the track
Just click on Jack
It's as simple as that
And get hit with a happiness attack
