

# Chicken Pig Attack (Cock On A Swine)

The Gregory Brothers

Now begins the fight of a lifetime  
We can end it all and end it right  
Two warriors challenge you  
They came ready to fight

Oh, chicken and a pig, bacon and eggs  
They're not here to play  
Chicken and a pig, bacon and eggs  
You're on their plate today

Six legs! two wings!  
And one ass-whooping  
Cock on a swine  
(Cock on a swine)  
Friends for all time  
(For all time)  
Swine with a cock  
(Swine with a cock)  
They can never be stopped

There is no escape from justice  
Nowhere to hide from your fate  
You may want forgiveness  
I'd say yes but for them it's too late

Oh, chicken and a pig, bacon and eggs  
They're not here to play  
Chicken and a pig, bacon and eggs  
You're on their plate today

Six legs! two wings!  
And one ass-whooping!  
Cock on a swine  
(Cock on a swine)  
Friends for all time  
(For all time)  
Swine with a cock  
(Wine with a cock)  
They can never be stopped

They look so cute and cuddly  
You might expect a kiss  
But if you're on their bad side  
You'll only get their iron fists

Cock on a swine  
(Cock on a swine)  
Friends for all time  
(For all time)  
Swine with a cock  
(Swine with a cock)  
They can never be stopped
