

# Cow Attack (Move Out The Way)

The Gregory Brothers

Never underestimate a cow  
(Never underestimate a cow)

Never underestimate a cow  
That's the mistake that ends your journey now  
When you underestimated my cow  
That was the moment I knew I'd take you down

You think that cows are lazy  
Sitting, munching grass (sitting, munching grass)  
But if you cross them, they'll snap and beat your  
A-a-a-a-a-a-ass

Move out the way  
Move or you'll pay  
You can be spared if you repent  
But her ass-whoopings are never two percent

But her ass-whoopings are never two percent

You hacked the surveillance cameras  
But made a simple blunder  
You didn't prepare for a face off  
With a massive, milky udder

You dodged the Louvre's lasers  
And rappelled from the roof (down from the roof)  
But you can't defeat my hairy friend  
With four stomachs and four hoofs

Move out the way  
Move or you'll pay  
You can leave this path for another  
Or she'll churn your ass up like butter

Or she'll churn your ass up like butter
