

# Hairy Legs

The Gregory Brothers

I got hairy legs  
Hairy legs that turn blonde in the sun, in the sun  
Come rub my legs, from the morning, until the day is done, until the day is done  
I got hairy legs (Hairy legs, yeah)  
That's right, you heard what I said, you heard what I said  
I got hairy legs (Yeah man)  
Watch the hair come back up again  
I'm the guy with the best chance to win

And corn pop, was a bad dude  
And he ran a bunch of bad boys, a bad crew  
I really was the only white guy that really knew  
He said "I'll meet ya outside," and I said, "What am I gonna do"

Corn pop was waiting with three guys with razor blades  
So I walked out with a six-foot link of chain  
I said, "I apologize," he said, "Okay"  
My heart began to beat again

Corn pop, he can't stop  
Corn pop, he won't stop  
Corn pop, he can't stop  
Corn pop, he won't stop

A billionaire who calls women horse-faced lesbians  
You could release women from those agreements immediately

Maybe they didn't like a joke I told

Are you willing to release them?

Release them!

These agreements were made, um, consensually

I got hairy legs  
Hairy legs that turn blonde in the sun, in the sun  
Come rub my legs, from the morning, until the day is done, until the day is done  
I got hairy legs (Yeah)  
That's right, you heard what I said, you heard what I said  
I got hairy legs (Yeah man)  
Watch the hair come back up again  
I'm the guy with the best chance to win

I was a pretty darn good lifeguard, I learned a lot  
Lived down in Mayfield, with my Grandpop (Grandpop)  
We used to play Basketball with Corn Pop  
And he sank, every single shot

Corn pop, he can't stop  
Corn pop, he won't stop  
Corn pop, he sank every shot  
Corn pop, he won't stop  
I got hairy legs  
Hairy legs that turn blonde in the sun, in the sun

Come rub my legs, from the morning, until the day is done, until the day is  
done  
I got hairy legs (Hairy legs, yeah)  
That's right, you heard what I said, you heard what I said  
I got hairy legs (Yeah man)  
Watch the hair come back up again  
I'm the guy with the best chance to win
