

# I Don't Wanna Be Free

The Gregory Brothers

Break out? Of this place?... [\*pant\*]  
Why would anyone wanna break out?

The outside world recoils in fear  
Thinking if they slip up they'll get locked up in here  
You're killing yourself just to make ends meet  
While I'm workin' on my tan, and kickin' up my feet  
You can't beat livin' in prison, there's always something to do  
And ya know who's paying? Everyone but you  
Every day I wake up to a nice hot shower  
Don't pay the water bill, so I'm scrubbin' for hours  
Shoot some hoops, and lift weights in the yard  
Maybe blow off some steam, shiv a rookie guard  
And there's nothing more exquisite  
Than when I get my fourteen-  
minute conjugal visit! (Come on and meet the gang!)  
There's Jimmy the Pickle, and Shithole Hank  
He makes the best hooch wine in his toilet tank  
There's Bam-Bam, and Tiny, and Sparkles McGee  
And every single one of us scumbags agree

I don't wanna be free (I don't wanna be free)  
Leave me in luxury (Leave me in luxury)  
Why try a prison break  
When hard time's totally great?  
I got a trash pedigree (I got a trash pedigree)  
But in here I'm bourgeoisie (Hey Ma, look at me)  
I never think about the world beyond  
The night recalling I killed my mom

No! I don't wanna be  
Free! Not the life for me  
No! I don't wanna be  
  
Free  
Of these amenities  
If I tried to live this good out there  
I'd have to be a thousandaire  
This is where I wanna grow old  
So I'm just prayin' I don't make parole  
'Cause I don't wanna be free!
