

# The Pixar Theory Song

The Gregory Brothers

Everything is part of the Pixar theory  
Thinking about it is getting me teary  
One giant timeline  
One huge story  
From Ratatouille  
To Finding Dory  
The Pixar theory  
The Pixar theory  
We're finally going to see it clearly  
The Pixar theory  
Will make you cheery

This is...  
The Pixar theory

Way back in time  
Prehistoric time  
The asteroid that should've wiped the dinosaurs... misses  
Animals develop intelligence  
They have school systems and a real estate market...  
I guess?  
The Incredibles introduces the machines  
Syndrome creates A.I  
The damage is done  
The end of humans  
The machines are on the rise

Everything is part of the Pixar theory  
Thinking about it is getting me teary  
One giant timeline  
One huge story  
From Monsters Inc  
To Up and WALL-E  
The Pixar theory  
The Pixar theory  
We're finally going to see it clearly  
The Pixar theory  
Will make you cheery

This is...  
The Pixar theory

Humans have to leave  
And what is left?  
Cars come to life  
And clean up the mess  
They run out of energy  
Which leads to WALL-E  
He watches old movies  
And plants a tree  
Fourteen hundred years after WALL-E  
Monsters University  
Suffering from an energy crisis  
And that means travelling in time  
To collect human screams (Ahh!)

Everything is part of the Pixar theory

Thinking about it is getting me teary  
One giant timeline  
One huge story  
From Ratatouille  
To Finding Dory  
The Pixar theory  
The Pixar theory  
We're finally going to see it clearly  
The Pixar theory  
Will make you cheery

This is...  
The Pixar theory

Imagine you're that kid  
Knowing another world exists  
Then you discover magic...  
That's right  
Boo is a witch!  
Memory permeates every Pixar franchise  
Carl can't let Ellie's memory die  
Dory shows us how tragic forgetting can be  
Riley, Bing Bong, Coco, and of course  
Woody...

Everything is part of the Pixar theory  
Thinking about it is getting me teary  
One giant timeline  
One huge story  
From Monsters Inc  
To Up and WALL-E  
The Pixar theory  
The Pixar theory  
We're finally going to see it clearly  
The Pixar theory  
Will make you cheery

This is...  
The Pixar theory
