

Ariel Ariel

The Griswolds

What we got ain't perfect this I know
Sometimes I wish for
Something boring old and unoriginal, but fuck that

I've never been able to consider myself stable and I
Gotta knack for falling for crazy ones

Ari-Ariel, Ari-Ariel-el, Ari-Ariel
I'm a sucka for your love
Ari-Ariel, Ari-Ariel-el, Ari-Ariel
I'm a sucka for your love

Maybe we will get it right someday
Maybe I'll just see you next Tuesday
You're the thorn in my side
You're a mess but you're mine
Oh, maybe we will get it right someday, Ari-Ariel

I don't feel so nervous anymore
Yeah, I embrace it
Found a love that keeps me wanting more, wanting more, but fuck that

Round n round we tango in the masochist fandango
Man I gotta knack for fallin' for crazy ones

Ari-Ariel, Ari-Ariel-el, Ari-Ariel
I'm a sucka for your love
Ari-Ariel, Ari-Ariel-el, Ari-Ariel
I'm a sucka for your love

Maybe we will get it right someday
Maybe I'll just see you next Tuesday
You're the thorn in my side
You're a mess but you're mine
Oh, maybe we will get it right someday, Ari-Ariel

Yeah, you know that it's just my style
Speaking chaos so fluently
I pretend, I pretend all the time
But ya see right through me
And I can't get you off my mind
Sweet forbidden apple of my eye
(Ari-Ariel, Ari-Ariel-el)
Such a mess but so am I

Maybe we will get it right someday
Maybe I'll just see you next Tuesday
You're the thorn in my side
You're a mess but you're mine
Oh, maybe we will get it right someday, Ari-Ariel

Ari-Ariel, Ari-Ariel-el...
Maybe we will get it right someday, Ari-Ariel
