

I was making rounds,  
You've been on the prowl so we should bounce.  
I like you looking money,  
Honey got my head up in the clouds.

I wanna make you dinner,  
Then I'm gonna make you a sinner.  
Dive into your ocean,  
And drown in your sweet emotion.

If you don't love me than I ain't gonna give it up.  
Well if you don't love me then I just don't give a fuck.

Only been a weekend,  
We already talking trips to go.  
The second we got physical,  
I gave her keys to my soul.

I wanna make you dinner,  
Then I'm gonna make you a sinner  
Dive into your ocean,  
And drown in your sweet emotion.

If you don't love me than I ain't gonna give it up.  
Well if you don't love me then I just don't give a fuck.  
If you don't love me than I ain't gonna give it up.  
Well if you don't love me then I just don't give a fuck.

Um, yoo hoo  
WYD baby where you is,  
Knock knock, let me in,  
I'm tryna have some kids...  
Sike.  
JK you know I like to kid.  
I don't know about you, but I'm about my biz boy.  
One night, can you stand it,  
Im a crazy ass bitch, do you understand it?  
If you're down for the ride, better hit my line,  
Or you can't touch this, Hammer time.

If you don't love me than I ain't gonna give it up.  
Well if you don't love me then I just don't give a fuck.  
If you don't love me than I ain't gonna give it up.  
Well If you don't love me then I just don't give a fuck.
