

I'd Rather Be Alone

The Guess Who

You broke my heart again, tell me when are you gonna settle down

Don't give me any tears, sick of tears. I would rather be alone
You're always put to blame, love's a game. You just wanna make me cry

Oh darling if you do, tell you true. I would rather be alone

I'd rather be alone then to see you like this

Always with somebody new

You say that I'm the only boy that you'll ever miss

You walk away and leave me blue. You leave me blue

So if there's still some love in that cold heart of yours you'd never know

'Cause if I can't have you, yeah it's true. I would rather be alone

Oh, oh oh...

I'd rather be alone then to see you like this

Always with somebody new

You say that I'm the only boy that you'll ever miss

You walk away and leave me blue. You leave me blue

So if there's still some love in that cold heart of yours you'd never know

'Cause if I can't have you, yeah it's true. I would rather be alone

I'd rather be alone

I'd rather be alone

I'd rather be alone now
