

Go Dumb

The Happy Fits

I go forty down a fifty
I grow one-inch under six feet
I can rise with the tide but when I go to the top
I need more, I need more, more to make this poor man go

I can slug the sleaze (Like a rambling runt)
My weak hands and knees (Got me banned to my bum)
My Id got the keys (I'm here for the fun)
Put my mind at ease, I just wanna go dumb

I go forty down a fifty
I found a way to kill a deadbeat
I can rise with the tide but when I go to the top
I need more, I need more, more to make this poor man go

I can slug the sleaze (Like a rambling runt)
My weak hands and knees (Got me banned to my bum)
My Id got the keys (I'm here for the fun)
Put my mind at ease, I just wanna go dumb
Wanna go dumb (I just wanna go dumb)
I wanna go dumb (I just wanna go-)

More, I need more, more to make this poor man go

I can slug the sleaze (Like a rambling runt)
My weak hands and knees (Got me banned to my bum)
My Id got the keys (I'm here for the fun)
Put my mind at ease, I just wanna go dumb

Wanna go dumb (I just wanna go dumb)
I wanna go dumb (I just wanna go dumb)
I wanna go dumb (I just wanna go dumb)
