

Bullet

The Hatters

I got a bullet for you
You got a bullet for me
Nothing can save us from truth
Nothing can save us from tears
I got a bullet for you
You got a bullet for me
Nothing can save us from truth
Nothing can save us from tears

What if I break your walls
Or should I save my soul
Somebody help me, please
Somebody help me, please
What if I break your walls
Or should I save my soul
Somebody help me, please
Somebody help me

What if I break your walls
Or should I save my soul
Somebody help me please
Somebody help me, please
What if I break your walls
Or should I save my soul
Somebody help me, please
How could I take that risk

Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no

I got a bullet for you
You got a bullet for me
Nothing can save you from truth
Nothing can save us from tears

What if I break your walls
Or should I save my soul
Somebody help me, please
Somebody help me, please
What if I break your walls
Or should I save my soul
Somebody help me, please
Somebody help me

Somebody help me, please
Somebody help me
Somebody help me, please

Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me

No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
