

## Constant

## The Haunt

Well, we do this shit once a month  
And you know I'm not complaining  
When I feel your breath in my lungs  
I hold onto what's remaining

It's constant  
It's constant

She said "You think you're smart?"  
I said, "Then you take the lead"  
I said "Forget your heart  
Fuck your wants and your needs"  
Well...

She said "You think you're smart?"  
I said, "Then you take the lead"  
I said "Forget your heart  
Fuck your wants and your needs"  
Well...

Well, we do this shit once a year  
And you know I'm not complaining  
And I know it's what you always hear  
But those eyes are entertaining

It's constant  
It's constant

She said "You think you're smart?"  
I said, "Then you take the lead"  
I said "Forget your heart  
Fuck your wants and your needs"  
Well...

She said "You think you're smart?"  
I said, "Then you take the lead"  
I said "Forget your heart  
Fuck your wants and your needs"  
Well...

You got 52 cards up your sleeve  
I love her face and so does she  
I said, "It's time for us to pack up and leave"  
She said, "In a minute," and kissed me

You got 52 cards up your sleeve  
I love her face and so does she  
I said, "It's time for us to pack up and leave"  
She said, "In a minute," and kissed me

(I don't mind if you don't, I don't mind if you don't, I don't mind if you don't)  
You got all 52 cards up your sleeve  
I love her face and so does she  
(I don't mind if you don't, I don't mind if you don't, I don't mind if you don't)  
I said, "It's time for us to pack up and leave"

She said, "In a minute," and kissed me

She said "You think you're smart?"

I said, "Then you take the lead"

I said "Forget your heart

Fuck your wants and your needs"

Well...

She said "You think you're smart?"

I said, "Then you take the lead"

I said "Forget your heart

Fuck your wants and your needs"

Well...
