Cutting Teeth

The Haunted

Sorry to burst your fucking Bubble.
You had your Peace, now it's Time to set things straight.
So you thought you knew me, I thought I knew Myself too.
Bet you had me written off, an able Gun but with Bullets lost.
Sleeping Dogs be left asleep, but here's some Jaws that want it 's Meat.

Cutting Teeth.
After all, we're just cutting Teeth.
Cutting Teeth.
Watch me now.
Cutting Teeth.

I've fucking had it with lying in Wait, I'm fucking through wit h only biding my Time.
I don't need you to understand, I'm just here to claim what's m ine.
Take A look at these bloodied Hands with wear from toil, Lions to Lambs.
Brush the Dirt from six feet below, So, can you feel me!?

Burning your Words to Ashes in your Mouth.
Standing tall, never forget who you are.
Cutting Teeth, bite the Hand that feeds you.
Cutting Teeth, bite the Hand that frees you.

So here we are at the Steps of your last Breath.
Hear me now to my Commandment.
It's starting to show now how I transform your World.
You can't deny it, I'm taking over.
I'm taking over.

Cutting Teeth.
After all, we're just cutting Teeth.
Cutting Teeth, grinding deep.
