

# Shattered

## The Haunted

Stare at my reflection,  
a face to me shown unknown.  
Cleanse with perfection,  
no man shall stop the seeds I've sown.

You see me crawl, but that's not true.  
I'm just a step away from you.

I feel my energy rising.  
Shatter me who shatter dares...

Don't trust your eyesight,  
it will deceive your every glance at me.  
I feel no sorrow, kill...  
like there's no tomorrow.

You see me crawl, but that's not true.  
I'm just a step away from you.

I feel my energy rising.  
No way to keep this fury controlled.

My hand shakes with anger.  
Stare unto me as I shatter your soul..

Shattered..

Goats head,  
Daed eyes.  
No reconcile.

Submit  
to none.  
I am divine.

Shattered,  
Shattered...

You call me evil.  
I'm but the instrument of the Lord.  
You call it senseless,  
I see a need to cleanse this putrid world.

You see me crawl, but that's not true.  
I'm just a step away from you.

I feel my energy rising.  
No way to keep this fury controlled.

My hand shakes with anger,  
Your life... Shattered.
