

Strength in Numbers

The Haunted

Lying in wait
Awaiting the resurrection
Fueled by an undying conviction
Of a prime number force

Horde, crawling
Legion, rising
Attack at my command

For everyone lost
Another demon
Spreads its wings
The swarm will be our savior
A final war

Strength in numbers
Everlasting slumber

War, the final phase
Of human contact
Empathy erased where life runs
Cheap

Horde, crawling
Legion, rising
Attack at my command
For everyone lost
Another demon
Spreads its wings
The swarm will be our savior
A final war

Strength in numbers
Eternal slumber
Strength in numbers
A final war
