Temptation

The Haunted

Hell is where you find me, cutting away at your Soul.
Lost and lonely in this Abattoir called "Life".
Blood-soaked, I unearth the Ruins of what used to be me.
No Empathy, free of Emotions and Guilt!

Temptation!
The Urge is growing Stronger.
Temptation!
I'm A wide awake Nightmare.

Faulty wiring, A Life of synaptic Void.
A chemical Purgatory, adding Fuel to this Lunacy.
This will be my last Sunset, the same goes for you.
Lay down beside me and let the Vultures hack away at our Death.

Temptation!
The Urge is growing Stronger.
Temptation!
I'm A wide awake Nightmare.

I have gazed into the Depths of my Mind.
There are Wounds that will never heal.
A Funeral Pyre burning deep from within.
Temptation, the Urge is growing Stronger.

Go!
