

# Homecoming Heroes

## The Head and the Heart

So now I know  
People want a story  
Want an end with glory  
And a wave of their flag

Well as far as I can tell  
The homecoming heroes  
Get put in the headlines  
And back off they go

And I won't stand for anything more  
Tried our hand even though we were poor  
We've put in the time  
Casting our lines off shore

Yes some things I dread  
I duck into alleys  
I avoid the rallies  
It's a choice of my own

And I won't stand for anything more  
Tried our hand even though we were poor  
We've put in the time  
Casting our lines off shore

And I'm sorry but I find no glory in that  
I just want you off my back  
And there's not a word in my head floating around  
You won't pick your part and put down

And I won't stand for anything more  
Tried our hand even though we were poor  
We've put in the time  
Casting our lines off shore  
We've put in the time  
Casting our lines

And I'm sorry but I find no glory in that  
I just want you off my back  
And there's not a word in my head floating around  
You won't pick your part and put down

So get out of my head  
Get out of my head  
Get out of my head
