

Short Change Hero

The Heavy

I can't see where you coming from,
But I know, just what you, running from,
And what matters ain't the,
Who's baddest but the,
Ones who stop you falling from your ladder, angel

Feel, like you're feeling now,
Doing things just to please your crowd,
When I love you like the way I love you,
And I suffer but I ain't gonna cut you cause,

This ain't no place for no hero,
This ain't no place for no better man,
This ain't no place for no hero,
To call home,
This ain't no place for no hero,
This ain't no place for no better man,
This ain't no place for no hero,
To call home,

Every time, I close my eyes,
I think, I think bout you and I,
And your mother, given up on asking why,
Why you lie, and you cheat,
And you try to make a fool out of she,

Now, I can't see where you coming from,
But I know, just what you, running from,
And what matters ain't the,
Who's baddest but the,
Ones who stop you falling from your ladder cause,

This ain't no place for no hero,
This ain't no place for no better man,
This ain't no place for no hero,
To call home,
This ain't no place for no hero,
This ain't no place for no better man,
This ain't no place for no hero,
To call home
This ain't no place for no hero,
This ain't no place for no better man,
This ain't no place for no hero,
To call home.
