

Simple Things

The Heavy

Caught up in a daydream
Caught up in the heat of your love, love
There ain't no misbehavin'
Ain't no sense in fuckin' shit up, up

'Cause time after time
I tell myself I'm better
Time after time
Evil tests my every pressure
Time after time
I'll make it like you want me
'Cause my heart can't bring it if my heart ain't in it

So whoa, oh
Make it all 'bout the simple things
Whoa, oh
Give it up for the simple things
Whoa, oh
You raise your hand for the simple things, like
Whoa, oh
Unlock 'em
Oh, oh, oh, oh

Don't ever run, come save me
I ain't never gonna give you the call, oh
'Cause trust come necessary
An we ain't standin' here ready to fall, oh

'Cause time after time
Expect love to be better
Rhyme after rhyme
Temptation's always out to get ya
Time after time
If I can turn you on
Because my heart don't sing it if my heart ain't in it

So whoa, oh
Make it all 'bout the simple things
Whoa, oh
Break it down for the simple things
Whoa, oh
Make it all 'bout the simple things, like
Whoa, oh
Unlock 'em
Oh, oh, oh, oh

Simple, keep it simple, keep it simple, keep it simple
Simple, keep it simple, keep it, now keep it simple
Simple, keep it simple, keep it, now keep it simple, keep it

Whoa, oh
Make it all 'bout the simple things
Whoa, oh
Break it down for the simple things
Whoa, oh
Give it up for the simple things, like
Whoa, oh

Unlock 'em
Oh, oh, oh, oh

I said now
Whoa, oh
Turn it up for the simple things
Whoa, oh
You shake it up for the simple things
Whoa, oh
Make it all 'bout the simple things, like
Whoa, oh
Unlock 'em
Oh, oh, oh, oh
