

Turn Up

The Heavy

Turn, (Up!)
And make it something to believe in
You know you got to
Turn, (Up!)
And make the heart go
(Woah, Woah, Woah)
I said you go to
Turn, (Up!)
And put your hands where I can see them
You know you go to
Turn, (Up!)
To keep 'em begging for
(More) [x7]

I set my soul on fire
All for you my love
And I build a house of dirt and bones
From the ground
You talk it like you needed it all
All your life
If you want it baby you can have it all
Oh! But then you better

Turn, (Up!)
And make it something to believe in
You know you got to
Turn (Up!)
To make the heart go
(Woah, Woah, Woah)
I said you better
Turn, (Up!)
And put your hands where I can see them
You know you got to
Turn, (Up!)
To keep them begging for
(More!) [x7]

(Baby, Baby!)
You'll lose your way
(Baby, Baby!)
You'll make mistakes
(Baby, Baby!)
You're gonna learn to fight many days
In so many ways
(Baby, Baby!)
Ain't no one gonna shake me
(Baby, Baby!)
Cos you'll always be my baby
(Baby, Baby!)
There ain't nothing more I want
For you my love
If that's what you really want
Must be what you really want
If that's what you really want
My love
I said you better

Turn, (Up!)
And make it something to believe in
You know you got to
Turn, (Up!)
To make the heart go
(Woah, Woah, Woah)
I said you got to
Turn, (Up!)
And play your cards where I can see them
You know you got to
Turn, (Up!)
To keep them begging for
(More!) [x7]
