

You Don't Know

The Heavy

Maybe you won't satisfy me
And maybe you don't see what I see
But baby you got your claws inside me
Can't deny it, can't disguise it
Baby won't you help me out
Baby won't you help me now

You don't know what it's like
Oh you don't know what it's like
You don't know what it's like
Believe me baby you don't know what it's like
You don't know what it's like
Oh you don't know what it's like
The way I love you like I love you
I can't even sleep at night

You don't know what it's like
You don't know what it's like
