

Witch

The Hell

Staring by the window
Fill my mind with nightmares
Screams of despair
Eternal screams I'm insane
In- between the flames
I can see your face
Screams of despair
Eternal screams I'm insane

Witch! you're in my hands
There is no escape
Witch! burn at the stake
You... you shall die

Uncertain ways
Damaged footsteps
Secret thoughts
It's time to suffer

Witch! you're in my hands
There is no escape
Witch! burn at the stake
You... you shall die
