

# Do You Feel Normal

The Hellcopters

Do you feel like the stranger passing by  
Or are you just a little stranger all the while?

There's a common folk appeal  
But you have secrets to conceal  
So tell me how does it make you feel?

Do you feel normal?  
Do you feel normal?  
Do you feel normal?  
Now do you?

Can you relate or would you take offence  
If your future's her past tense?

Does it feel like you need to know  
If you're the only one on your own?  
Do your highs still seem a bit low?

Do you feel normal?  
Do you feel normal?  
Do you feel normal?  
Now do you?

Do you feel normal?  
Do you feel normal?

Do you feel normal?  
Do you feel normal?  
Do you feel normal?  
Now do you?  
Do you feel normal?  
Do you feel normal?  
Do you feel normal?  
Now do you?

Do you feel normal?  
Do you feel normal?  
Do you feel normal?  
Now do you?  
Do you feel normal?  
Do you feel normal?  
Do you feel normal?  
Now do you?  
Do you feel normal?  
Do you feel normal?  
Do you feel normal?  
Now do you?
