

# I Ain't No Miracle Worker

The Hellacopters

Don't ask me to move a mountain  
Don't ask me to swim your sea  
Don't think that I am a tower of strength  
Don't lean too much on me  
When looking to the future  
Don't build your dreams too high  
I beg you to remember  
I'm just an ordinary guy

I ain't no miracle worker  
I do the best that I can  
I ain't no miracle worker  
Oh Lord, I ain't no miracle man

And I don't have a fortune  
You know I sweat for each dime I make  
But I'm always living now just looking  
To get that lucky break  
And every day I keep on trying  
To do my best for you  
And trying just ain't enough baby  
Well tell me what would you have me do?

I ain't no miracle worker  
I do the best that I can  
I ain't no miracle worker  
Oh Lord, I ain't no miracle man

Ask me to be tender  
Ask me to be truth  
Ask me for all the love I have  
And girl, I'll give it all to you  
But girl, I just can't offer  
No storybook romance  
Girl, that's what you're looking for, babe  
I tell you, we just don't have a chance

I ain't no miracle worker  
I do the best that I can  
I ain't no miracle worker  
Oh Lord, I ain't no miracle man

Take me for what I am  
I ain't no miracle man  
But I'm just an ordinary man  
No, I ain't no miracle man
