

Midnight Angels

The Hellacopters

So take me down
Into the heat into the sound
Come on and show me what I find if I would follow
You down that lovers lane

It's all a game
Maybe you win, maybe you fail
But if you look inside my mind you won't see no worries
Cause I keep on going strong

Just take me away and let me blow my mind
I would follow you until the end of time
There's no tomorrow, there's no today
You show me the way to cross over the line

Midnight angels - they seem so strange
Midnight ramblers - so plain

It's all a dream
Come on and shake it to the beat
No I don't need the questions, give me all of your
answers
Cause the time is running late

Just take me away and let me blow my mind
I would follow you until the end of time
There's no tomorrow, there's no today
You show me the way to cross over the line

Midnight angels - they seem so strange
Midnight ramblers - so plain

Well I'm standing in the moonlight
I'm caught by the spotlight
All those fights ain't nothing but judge it feels
Like I'm wasting my time

Midnight angels - they seem so strange
Midnight ramblers - so plain

Midnight angels
Midnight angels
Midnight angels - so plain
