

## Soldier On

## The Helicopters

History is in the making  
Make believing in the night  
Tomorrow's yours for the taking  
Makeshift answers to make it light

Don't you know I got you covered  
Don't you know I got you strong  
I got you when your nightfall hovers  
Child and I'll

Soldier on  
I will soldier on  
Soldier on until the dawn  
Soldier on  
I will soldier on  
Until the night is over  
Until the break of dawn  
I'll soldier on

When you can't move but you can shiver  
I'm your watcher in the night  
You don't know but I'll deliver  
I will battle out of mind and out of sight

Don't you know I got you covered  
Don't you know I got you strong  
I got you when your nightfall hovers  
Child and I'll

Soldier on  
I will soldier on  
Soldier on until the dawn  
Soldier on  
I will soldier on  
Until the night is over  
Until the break of dawn  
I'll soldier on

Soldier on  
Soldier on  
Soldier on  
Soldier on

Don't you know I got you covered  
Don't you know I got you strong  
I got you when your nightfall hovers  
Child and I'll

Soldier on  
I will soldier on  
Soldier on until the dawn  
Soldier on  
I will soldier on  
Until the night is over  
Until the break of dawn  
I'll soldier on
