Speedfreak

The Hellacopters

Got to hurry, got to hurry
I don't believe you worry
Take it back, take it back
You know you can't do that
Don't want no sleep
Up for a week
Yes, I'm a speekfreak, speedfreak

Way too fast, way too fast
Gonna be the first and last
Shoot ya down, shoot ya down
Flamin' Wreck you hit the ground
Up for a week
Don't need no sleep
Cos I'm a speedfreak, speedfreak

No regrets, no regrets
You can't afford'em yet
Comin' down, comin' down
Over, under, sideways, round
Up for a week
Playin' Hide and Seek
Cos I'm a speedfreak, everlasting speedfreak
