

## Tab

## The Hellcopters

Way too late to set things straight  
Push too hard by keeping me waiting  
Going down, no way up  
No use in telling, you've been fucked

Slow motion shadows, no one around  
Silence ringing with another sound  
I got cities burning in my head  
My mind, ghouls wanna get fed

Tab kinda makes you freak  
Fucks up the way you speak  
Creepy crawling sneak  
Upon you drives you to a peak

Way too late to set things straight  
Push too hard by keeping me waiting  
Going down, no way up  
No use in telling, you've been fucked

Tab kinda makes you freak  
Fucks up the way you speak  
Creepy crawling sneak  
Upon you drives you to a peak
