

# High

The High Kings

Well I see her face  
In the first light of day  
As I went to greet the morning sun  
I know that she's in the  
Sweet summer breeze  
With love enough for everyone

It's cool I get to be that guy  
Who gets it all and that is why  
Every day I'm flying high

Higher than I've ever been  
Seeing things I've never seen before  
She takes me high  
Can hardly believe my eyes  
Soaring above the bluest sky  
She makes me feel alive

She's all I need  
The air that I breathe  
Ooh, she takes my breath away  
She's all around  
In every sight and every sound  
They're the reason for my day

I stop and thank the Lord above  
Somehow I'm worthy of her love

Heaven knows I'm flying high  
Higher than I've ever been  
Seeing things I've never seen before  
She takes me high  
Can hardly believe my eyes  
Soaring above the bluest sky  
She makes me feel alive

High  
High  
High  
High

It's cool I get to be that guy  
Who gets it all and that is why  
Every day I'm flying high

High, higher than I've ever been  
Seeing things I've never seen before  
She takes me high  
Can hardly believe my eyes  
Soaring above the bluest sky  
She makes me feel alive

Higher than I've ever been  
Seeing things I've never seen before  
She takes me high  
Can hardly believe my eyes  
Soaring above the bluest sky

She makes me feel alive
