Giddy Up!

The Hives

So in the morning – Giddy up!
And in the evening – Giddy up!
We take the matter – Giddy up!
Back in the saddle – Giddy up!

When times are hardy – Giddy up!
We throw a party – Giddy up!
We climb that ladder – Giddy up!
Back in the saddle – Giddy up!

Now look at all the fighting
Now look at all the fuzz
This house ain't big enough, not for the both of us
We fight and disagree, we get so tired see
We just let fusion baby, be the solution baby

Our only way to reconcile
Is to get back in the saddle for a little ride
Giddy up now!

So in the morning – Giddy up!
And in the evening – Giddy up!
We take the matter – Giddy up!
Back in the saddle – Giddy up!

When times are hardy – Giddy up!
We throw a party – Giddy up!
We climb that ladder – Giddy up!
Back in the saddle – Giddy up!

Now look at silly me, now look at silly you
Avoiding problem core, will only make us sore
But I must say as such, that I don't mind too much
Like how we fight it hon', rode off into the sun

Our only way to reconcile
Is to get back in the saddle for a little ride
Giddy up now!

So in the morning – Giddy up!
And in the evening – Giddy up!
We take the matter – Giddy up!
Back in the saddle – Giddy up!

When times are hardy – Giddy up!
We throw a party – Giddy up!
We climb that ladder – Giddy up!
Back in the saddle – Giddy up!

Our only way to reconcile
