## **Missing Link**

**The Hives** 

If you give up and follow every whim Loose your mind before it could even begin Missing link it might be what you got so won't you give it a sh ot So you do it all the same and you do it all again You wake up in the morning and you ain't got a friend Your boss is coming down on you and you can't pay the rent and then Back into trouble again Missing link has got you beaten battered bruised If you had a problem, now it's two Missing link he took you down a notch so won't you give it a sh ot You're always under pressure It's harder to be sane when You wake up and you realize that every day is the same You can't go back to work and now you know just who to blame, a in't it a shame Back into trouble again Missing link I know you tried to cut him loose But missing link is still a part of you Think you lost him but it ain't exactly showing Got you by the neck and now there ain't no way of knowing Pretend you got a will but you know just where it's going Missing link has got you standing on the brink Left the world to rot and stink Left the world you pick up the pieces of the puzzle And now you get a lot of work done but you don't get a cent You wake up in the morning and do it all again Your landlord's coming down on you and you can't pay the rent a nd then
