

Oh Lord! When? How?

The Hives

He'll pick a moment he'll take a chance He'll
invite us all to a fatal dance Such a man and
such a mess - It's not an easy guess
I know that look I know that face I'd better get
ready to hunt and trace Bit by bit and on and
on -And then he's gone

OH LORD! WHEN? HOW?

Such a major mess -It's not an easy guess

For a second or two he might appear It takes a
second or less and he'll disappear Such a man
and such a mess -It's not an easy guess
