## **How A Resurrection Really Feels**

## The Hold Steady

Her parents named her Hallelujah, the kids all called her Holly And if she scared you then she's sorry, she's been stranded at these parties

These parties they start lovely

But they get druggy and they get ugly and they get bloody

The priest just kinda laughed, the deacon caught a draft She crashed into the Easter mass with her hair done up in broke n glass

She was limping left on broken heels

When she said, "Father, can I tell your congregation how a resurrection really feels?"

Holly was a hoodrat, and now you finally know that And she's been disappeared for years, today she finally came back

St. Louis had enslaved me, I guess Santa Ana saved me, St. Pete r had me on the queue, the St. Paul saints they waved me throug h

I was all wrapped up in some video booth when I heard her say " I love you too"

She said I've laid beneath my lovers but I've never gotten laid Some nights she felt protected, some nights she felt afraid She spent half last winter just trying to get paid From some guy she originally thought to be her savior

They wrote her name in magic marks on stop signs and subway car s

They got a mural up on East 13th that said "Hallelujah, rest in peace"

Hallelujah was a hoodrat, and now you finally know that She's been disappeared for years, today she finally came back

Walk on back, walk on back

She said don't turn me on again
I'd probably just go and get myself all gone again
Don't turn me on again
I'll probably just go and go and get myself all gone again

So don't turn me on again

I'll probably just go and go and get myself all gone again Hallelujah was a sexy mess, she looked strung out but experienc ed

So we all got kind of curious

Walk on back
