

Sails

The Home Team

If you could show me the sun at its brightest
Then I could show you the moon at its finest
If you could fall back asleep would you hide it?
'Cause I'll be stayin' up all night to fight it

'Cause you know
You've never been the type of person that encourages your friends to
let go
Ooh woah oh

If you could anchor the weight of your worldview
I'll be the wind in your sails that'll take you
I know it wouldn't mean much if I failed you
'Cause I can still make you laugh like you used to

And you know
I've never been the type of person that'll make the bed and wash all
the clothes
Ooh woah oh

Oh, oh. Oh oh
Oh, oh. Oh oh

Hold me down, I'm sure you know now
That everywhere I go, I'll come back around
Hold me tight, I need you to find
That everywhere you go I'll be close behind

If you could show me the sun at its brightest
Then I could show you the moon at its finest
If we were meant to be lost in our virtues
At least I won't be alone if I've got you

And I know
Just 'cause we're different doesn't mean we can't be perfect for each
other, oh no
Ooh woah oh

Oh, oh. Oh, oh

Hold me down, I'm sure you know now
That everywhere I go, I'll come back around
Hold me tight, I need you to find
That everywhere you go I'll be close behind

Hold me down
(Oh, oh. Oh, oh)
Everywhere I go I'll come back around
(Hold me tight)
I need you to find
That everywhere you go I'll be close behind
