

My Last Fight

The Hoosiers

If it's all the same to you
I'll get going while the going's good
There's something I need to do
It's a good time to be thought ill of
There's never a right time to leave somebody
So why don't I just make it now?
'Cause sooner or later I'll hurt somebody
Why don't I just make that me?

I thought I'd fought my last fight
I thought I'd fought my last fight
I thought I'd fought my last fight
There's always one more round

If it's all the same to you
I'll get going while the going's good
Think it's time to call it a day
Before the rains wash my resolve away
There's never a right time to leave somebody
So why don't I just make it now?
'Cause sooner or later I'll hurt somebody
Why don't I just make that me?
I should

I thought I'd fought my last fight
I thought I'd fought my last fight
I thought I'd fought my last fight
There's always one more round
There's always one more round
