

# Up To No Good

The Hoosiers

I don't wanna be the one to tell you that the world is broke  
But you're so innocent you cannot separate fire from this smoke  
Words drip like honey dear how sweet it is to hear  
But not everything that you are presented is as it appears

So he tells you love you now?  
Driving you crazy now?  
Fingers and lips, and now his hands to your hips  
You know you shouldn't do this

Oh, you think he's looking so lovely at you  
But that's nowhere near the truth  
His mind is up to no good  
Oh, just because you're in the same bed  
He's with someone else in his head,  
I'm not sick of the thought about you, oh

Don't get too comfortable with the man who has no history  
Shadows climbing walls have cracks that we don't want other eyes to see  
You tell me to shut my mouth, you love the mystery

So he tells you love you now?  
Driving you crazy now?  
Fingers and lips, and now his hands on your hips

You know you shouldn't do this

There's no turning back

You think he's looking lovely at you  
But that's nowhere near the truth  
His mind is up to no good  
Oh, just because you're in the same bed  
He's with someone else in his head,  
I'm not sick of the thought about you

Oh, you think he's looking lovely at you  
But that's nowhere near the truth  
His mind is up to no good  
Oh, just because you're in the same bed  
He's with someone else in his head,  
I'm not sick of the thought about you  
Oh, there's no turning back  
Oh, there's no turning back  
No no no no no no
