

Shadazz

The Horrors

She came from out of the skies
Reggae lady, a future queen
She came a singing and drumming / rhyming the blues

Sweet sexy lady, Creole queen
She came with those lightning eyes
Sweet sexy lady, I'm on my knees
She came with those big brown eyes
Sweet sexy lady, Shadazz
Oh, Shadazz

She used her father's name
African messiah, ahead of her time
She's a black star singing queen
She's here for all of us to see
A raging sex symbol, oh, dear lord

Sweet sexy lady, Shadazz
Sweet sexy lady, I'm on my knees
Sweet sexy lady, Shadazz
Oh, Shadazz
