

## Something to Remember Me By

The Horrors

Memory revolving  
The fear of letting go  
The arrow of acceptance  
The moment when you know, you know, you know  
And when the answers only divide  
When you never question the doubts in your mind  
When the distance grows but the end is in sight  
Nothing left to lose when there's nothing left to find

Now, all that's left behind  
Something to remember me by  
Oh, the fear, the slow divide  
Something to remember me by, by  
All the silent signs  
Something to remember me by  
Two sides, a double life  
Something to remember me by, by

I've gone too far this time  
But chances come and go  
You say that I believe my lies  
But now you'll never know, you know you won't  
And when the answers only divide  
Walking in a crowd and I leave you behind  
Back into the dark with the lions of night  
Nothing left to lose when there's nothing left to find

Now, all that's left behind  
Something to remember me by  
Oh, the fear, the slow divide  
Something to remember me by, by  
All the silent signs  
Something to remember me by  
Two sides, a double life  
Something to remember me by, by

Now, all that's left behind  
Now, the fear, the slow divide  
Seeing all the silent signs  
Something to remember me by  
Now, all that's left behind  
Now, the fear, the slow divide  
Seeing all the silent signs  
Something to remember me by, by  
Something to remember me by, by  
Something to remember me by, by
