

You've Got A Friend

The Housemartins

When you're down and troubled
And you need somebody in care
And nothing, nothing's going right

Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night.

You just call on my name
And you know wherever I am
I'll come running to see you again.

Winter, Spring, Summer and Fall
All you gotta do is call
And I'll be there
You've got a friend.

If the sky above you
should turn dark and full of clouds
And that old north wind should begin to blow

Keep your head together
And call my name out loud now
Soon you'll hear me knocking at your door

You just call on my name
And you know wherever I am
I'll come running to see you again.

Winter, Spring, Summer and Fall
All you gotta do is call
And I'll be there
You've got a friend.

You've got a friend.
Yes, you've got a friend, yes.
uuuuuuuh-uh-uh
Don't you know you've got a friend?
uuuuuuuh-uh-uh
Ain't you heard you've got a friend?
uuuuuuuh-uh-uh
Don't you know about your friend, your friend?
uh-uh
