

## The Same

The HU

A king who rules in heaven  
A king who rules on earth  
They have differences in existing up above and down below  
Yet their notion of happiness and affection is the same  
Yet their notions of happiness and affection is the same

A bodhisattva who dwells in Aginastai cave  
An enlightened person who walks on earth  
They have differences in existence  
Yet their passions are the same  
Yet their passions are the same

A henchman for a king on earth  
A henchman for the king of heaven  
Their colors and rituals are different  
Yet their judgments of right and wrong are the same  
Yet their judgments of right and wrong are the same

People who are striving to gain food and wealth  
Animals who are wandering in the mountain forest  
They have differences in carnal body  
Yet their desires to kill and devour are the same  
Yet their desires to kill and devour are the same

A person who steals from here and there  
A wolf who stalks around the flock  
They have differences in manifestations of body  
Yet their desires to devour are the same  
Yet their desires to devour are the same
