

# Triangle

The HU

Kite, crow, and goose  
Do all three have a common shore?  
Master, lord, and queen  
Do all three have a common interest?

The lord bows in the master's presence  
The master is spineless in his wife's presence

Dark kite circles and circles  
Greedy master incites and incites  
Black crow sneaks and sneaks  
Snobby queen glares and glares  
Vociferous goose gossips and gossips  
Squinty lord creeps and creeps

Alas alas  
Ee yeh buuvuu  
Ee yeh buuvuu  
Ee yeh buuvuu  
Ee yeh buuvuu

Do this, do that, unite  
Do all three have matching letters?  
Eating, drinking, and feasting  
Do all three have the same meaning?

Sable cuffs sway and sway  
Chubby fingers wiggle and wiggle  
Hooded eyes wink and wink  
Plump cheeks puff and puff  
Squinty eyes sparkle and sparkle  
Badge finial waves and waves

Alas alas  
Ee yeh buuvuu  
Ee yeh buuvuu  
Ee yeh buuvuu  
Ee yeh buuvuu

Winning, losing, and merging  
Do all three have the same stomach?  
Master, lord, and queen  
Do all three have a common interest?

The size of the lord is as of a cattle  
The heart of him is as of a rabbit  
He behaves in awful manner  
His queen is the same  
Master himself is like a donkey  
Guarding his wealth like a dog

Alas alas  
Ee yeh buuvuu  
Ee yeh buuvuu  
Ee yeh buuvuu  
Ee yeh buuvuu

Do this, do that, unite  
Do all three have matching letters?  
Eating, drinking, and feasting  
Do all three have the same meaning?

Winning, losing, and merging  
Do all three have the same stomach?  
Master, lord, and queen  
Do all three have a common interest?
