

Rock Me Again and Again and Again and Again and Again and Again (Six Times)

The Human League

Oh, oh, oh
Yeah, yeah
Oh, oh, oh
Yeah, yeah
Oh, oh, oh
Oh, oh

Take your time
And make me love you good
Take your time
And make me love you good
Take your time
And make me love you good
Take your time
And make me love you good

Love me 'til I want no more
Make me feel the spirit
'Til I have to go
Yeah, yeah
Come on and

Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again

Show me what you do
When you hold me close
Let me see you twist to me
That sexy dose
Come on and

Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again

Rock me baby
Make my face get soaking wet
Hey, hey
Rock me baby

Rock me baby
Make my face get soaking wet
Rock me, lord, baby
'Bout work me to death
Rock me baby
Like my back ain't got no bone

Rock me good, good bad
Then leave me alone
Come on and

Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again

Rock me baby
Make my face get soaking wet
Rock me, lord baby
'Bout work me to death
Rock me baby
Like my back ain't got no bone
Rock me good, good bad
Then leave me alone
Come on
Come on and

Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me

Oh, oh, oh
Yeah, yeah
Oh, oh, oh
Yeah, yeah
Oh, oh, oh
Oh, oh

Take your time
And make me love you good
Take your time
And make me love you good
Take your time
And make me love you good
Take your time
And make me love you good

Love me 'til I want no more
Make me feel the spirit
'Til I have to go
Yeah, yeah
Come on and

Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again
Rock me again and again and again
And again and again and again.
