

# You'll Be Sorry

The Human League

(Yeah yeah yeah yeah  
Yeah yeah yeah yeah)

You'll be sorry in the morning  
(Yeah yeah yeah yeah)  
If you leave me in the evening today

You know you ought to get to know me better  
You know I couldn't be as bad as people say  
It's too late to be introduced by letter  
But I'll write you one if that will make you stay

You'll be sorry in the morning  
If you leave me in the evening today  
(Yeah yeah yeah yeah)  
Someone's given you a warning  
I'm just telling you that you ought to stay  
(Yeah yeah yeah yeah)

Give me 'til the morning  
I will make you feel good  
Or you can just walk away  
Babe, I wouldn't hurt you  
I won't tell you falsehoods  
This is all I have to say

It really isn't late  
Do we have to separate  
It surely isn't time to go away  
Is there something you must do  
Can I come and do it too  
There's really lots of time left in the day

Take the chance and get to know me better  
It would be crazy just to turn and walk away  
Conversation does not make you an abetter  
Just to talk awhile would surely be okay

You'll be sorry in the morning  
If you chose to spend the night on your own  
(Yeah yeah yeah yeah)  
I extend this invitation  
So that you don't have to spend it alone  
(Yeah yeah yeah yeah)

Just until the morning  
Baby, I'll be real good  
You don't want to walk away  
I'm not such a monster  
Only misunderstood  
Listen to the truth I've got to say

You'll be sorry  
You'll be sorry  
You'll be sorry  
(Who'll be sorry)  
You'll be sorry

You'll be sorry  
You'll be sorry  
(You'll be sorry)  
You'll be sorry  
You'll be sorry  
You'll be sorry  
(Who'll be sorry)  
You'll be sorry  
You'll be sorry  
(Who'll be sorry)

You'll be sorry in the morning  
If you leave me in the evening today  
(Yeah yeah yeah yeah)  
Someone's given you a warning  
I'm just telling you that you ought to stay  
(Yeah yeah yeah yeah)  
You'll be sorry in the morning  
If you chose to spend the night on your own  
(Yeah, yeah, you'll be sorry)  
(Yeah yeah yeah yeah)  
I extend this invitation  
So that you don't have to spend it alone  
(You'll be sorry)  
(Yeah yeah yeah yeah)  
You'll be sorry in the morning  
If you leave me in the evening today  
(You'll be sorry)  
(Yeah yeah yeah yeah)  
(You'll be sorry)  
You'll be sorry  
You'll be sorry)

You'll be sorry  
You'll be sorry  
You'll be sorry  
(Yeah, yeah)  
You'll be sorry  
You'll be sorry  
(Yeah, yeah)  
You'll be sorry  
You'll be sorry  
You'll be sorry  
You'll be sorry  
(You'll be sorry)  
You'll be sorry  
You'll be sorry  
You'll be sorry  
You'll be sorry  
You'll be sorry  
You'll be sorry  
(Yeah, yeah)  
You'll be sorry  
You'll be sorry  
(Yeah, yeah)  
You'll be sorry  
You'll be sorry  
You'll be sorry  
You'll be sorry  
(You'll be sorry)  
You'll be sorry  
You'll be sorry  
You'll be sorry

You'll be sorry  
You'll be sorry  
You'll be sorry.
