

# Lost

The Hunna

I need to listen to myself  
I need to show myself some empathy  
Need to listen to my heart  
Instead of hiding in the revelry

I don't wanna be wanted  
Today I wanna be free  
I wanna make damn sure  
That they can't fucking find me

I wanna get lost  
Somewhere only I know  
Let my body breathe, go slow  
I gotta get out  
Runaway somehow  
And let me go  
Where it's okay to wallow  
My soul, my shadow can't follow  
I'm outta control  
I'm done with it all

I wanna get lost  
I wanna get lost  
I'm outta control  
I'm done with it all

I don't think I can stomach  
What they're force feeding me  
God I'm so full up, I don't need no more to eat

I wanna get lost  
Somewhere only I know  
Let my body breathe, go slow  
I gotta get out  
Runaway somehow  
And let me go  
Where it's okay to wallow  
My soul, my shadow can't follow  
I'm outta control  
I'm done with it all

I wanna get lost  
I wanna get lost  
I'm outta control  
I'm done with it all

I wanna get lost  
And let me go  
I'm outta control  
I'm done with it all
