

Lover

The Hunna

You know the stares that people made
'Cause they're just not used to our ways
Most times it feels just like
It's me and you babe
And you say: Love is blind
But I know I couldn't see
A beauty that could beat the one that makes me
That makes me a better me

And I'll tell you everyday
And I'll tell you just in case
I'll show you in every way
I'll take you to any place
'Cause you stole my
You stole my love

I like the way you proved me wrong
You make me believe in love
I'd rather do nothing with you
Than something with anybody else
Oh, and girl you're my world
And you're my world

And I'll tell you everyday
And I'll tell you just in case
I'll show you in every way
I'll take you to any place
'Cause you stole my
You stole my love

You stole my love
You stole my love
You stole my love

You stole my love
You stole my love
You stole my love
You stole my love
You stole my love

And I'll tell you everyday
And I'll tell you just in case
I'll show you in every way
I'll take you to any place
'Cause you stole my
You stole my love

Yeah, you stole my love
You stole my love
