

# Never Enough

The Hunna

With the bangs of the drum  
Walking town to town  
You know that it's you  
That I need around  
And if you're walking downtown  
Then I'm coming 'round  
For you, for you

I keep falling in love  
It's never enough  
It's never enough  
It's never enough

I keep falling in love  
I keep falling in love  
I keep falling in love  
It's never enough  
It's never enough  
It's never enough

When the room gets hot  
I know you'll always give it up  
I can't get enough of you  
This feels so good  
It feels so good  
It's up and it's down  
Was lost and I'm found  
For you, and for you

I keep falling in love  
It's never enough  
It's never enough  
It's never enough

I keep falling in love  
I keep falling in love  
I keep falling in love  
It's never enough  
It's never enough  
It's never enough

It's for you  
It's for you  
It's for you  
It's for you

I keep falling in love  
It's never enough

It's never enough  
It's never enough

I keep falling in love  
I keep falling in love  
I keep falling in love  
It's never enough  
It's never enough  
It's never enough

I keep falling in love  
I keep falling in love  
I keep falling in love  
It's never enough  
It's never enough  
It's never enough

I keep falling in love  
I keep falling in love  
I keep falling in love  
It's never enough  
It's never enough  
It's never enough

I keep falling in love  
I keep falling in love  
I keep falling in love  
It's never enough  
It's never enough  
It's never enough
