

Starry Blue-Eyed Wonder

The Icicle Works

What makes you think the girl will love you?
Is the best thing that you've seen?
Where's the sense in running when your spirit doesn't
leave your home
You're acting like a two-bit visionary

Starry, blue-eyed wonder
Starry, blue-eyed wonder

What makes you think the world is waiting?
What makes you think it's there for you?
Where's the sense in stealing when you know you'll win
tomorrow wild?
You're doing things the way you used to do

CHORUS

Starry, blue-eyed wonder
Starry, blue-eyed wonder
Starry, blue-eyed wonder
Starry, blue-eyed wonder

Starry, blue-eyed wonder
Starry, blue-eyed wonder
I am on my way
I am on my wing
I am on my way
Get out of my way
Starry, blue-eyed wonder
Starry, blue-eyed wonder
Starry, blue-eyed wonder
Starry, blue-eyed wonder
